

REMARKS/ARGUMENTS

This Supplemental Preliminary Amendment removes the underlining from the new paragraph added to page 8 of the Specification in Applicant's May 3, 2006 Preliminary Amendment which was considered non-compliant as indicated in the November 13, 2006 Notice of Non-Compliant Amendment. No new matter has been introduced.

In the Notice of Non-Compliant Amendment dated November 13, 2006, it was indicated that only the corrected section of the non-compliant amendment was required to be supplied. Accordingly, the "Amendments to the Claims" section of the May 3, 2006 Preliminary Amendment has not been resubmitted as these amendments are presumed to have been entered.

Entry of this amendment is respectfully requested.

Respectfully submitted,
Karl DEININGER
